

Allocation of Time and Curriculum for CFP Fellowship Training

Allocation of Time In order to take the Qualifying Examination, the candidate must have had the following experiences during fellowship:

- a. 12 months of clinical Complex Family Planning
- b. 6 months of protected research
 - i. Conducted research leading to a thesis that meets ABOG certification requirements
 - ii. Completed and successfully defended their written thesis before the program's Thesis Defense Committee by the due date for ABOG thesis and thesis defense submission
 - iii. Research time may be integrated into the program in a longitudinal manner as long as a fellow completes a minimum of 6 months of protected research time over the duration of their two-year fellowship
- c. 6 months of electives
 - i. Focused on specific clinical and/or research areas
 - ii. Selected at the discretion of the Program Director and fellow
- d. Fellows may participate in non-subspecialty clinical activity or practice up to 10% of a workweek (Monday-Friday) or ½ day (4 hours) per workweek averaged over a 4-week period during all rotations.
 - i. These allowances do not apply to moonlighting, weekends, or call.
 - ii. Fellows may not be assigned to weeks, months, or blocks of clinical assignments or rotations to meet this allowance.
 - iii. Fellows may not be assigned to night float rotations to meet this allowance.
 - iv. Fellows may not aggregate this allowance to complete training early or make up extensions in training for any reason.

Curriculum The candidate must gain a diverse experience in the management of a wide variety of complex family planning patients. The candidate must have experience in the provision of contraceptives, including consultation with other physicians. Additionally, the candidate must have experience in office procedures related to family planning.

The candidate must have experience in procedural and medical abortions and in the management of abortion complications.
